Ofsted Report Information Meeting – 5th March 2018: 7pm

Dear Parents/ Carers,

Our school was inspected on 16/17 January and attached to this letter is a copy of our final report. This report will be published by Ofsted on <http://reports.ofsted.gov.uk> on 21-2-18.

I would like to take this opportunity to thank the pupils, who were, as always, a credit to the school, and to all our parents/carers for responding to the Inspection Team via the questionnaire link or through face to face playground meetings. Thank you for being such a wonderful, supportive school community.

Our Ofsted Report Information Meeting will be held on Monday 5th March at 7pm until 8pm in the Junior Hall. Parking will be on the Junior Playground and entrance to the meeting will be via the Junior Playground doors. Due to the nature of this meeting I would appreciate if children did not attend and that you make childcare arrangements on this occasion.

The aim of the meeting is to share and explain some of the processes, systems and new initiatives underway in order to drive school improvement forward.

At the bottom of this letter is a reply slip to confirm your attendance and for you to pre – notify the school of any questions that you would like to ask so that these can be addressed in the meeting and become an integral part of our Post Ofsted Action Plan. These questions will be typed up and displayed in the hall (anonymously) for all parents to see during the meeting. In order for the meeting to run to time it will not be possible to take questions from the floor. Please return your reply slip by Friday 2nd March – 3.30pm to the school office. If you would prefer to email your questions then please send them to: admin@ashtree.herts.sch.uk using the subject title – Questions for Ofsted Information Meeting by 3.30pm on Friday 2nd March.

At the end of the meeting, if you would like to make an appointment to discuss questions further please do not hesitate to speak to me.

The format of the meeting will be:

- Talk from the Headteacher
- Talk from the Governors
- Pre notified questions addressed.

The Inspection Team agreed that we had correctly identified areas for development in our current School Improvement Plan and saw strengths and successes in the school as well as areas to develop. Our Post Ofsted Action Plan will ensure that the necessary improvements are made so that our school is, once again, judged as a good or outstanding school for our pupils, parents/carers, staff and governors.

As recognised, within the report, there is a strong sense of “family” at Ashtree School. I know that this will enable us to work together to ensure that the next inspection grade is one to be proud of.

I look forward to meeting you on Monday 5th March.

Yours sincerely

E. A. Kirwan

Ms E A Kirwan
Headteacher

Ofsted Report Information Meeting – 5th March 2018: 7pm

I/We will be attending the meeting

I/We will not be attending the meeting

Signed: Name:

I/We would like to pre- notify the following question/s for the meeting.
