

ASHTREE PRIMARY SCHOOL AND NURSERY.

Access Policy

Introduction

THIS DOCUMENT IS a statement of the aims, principles and strategies for ensuring access to the curriculum at Ashtree School

IT WAS DEVELOPED during the Autumn Term 2015 through a process of consultation with teaching staff and governors.

IT WAS APPROVED by the governing body during the Autumn Term 2015.

THIS POLICY WILL BE REVIEWED in the Autumn of 2018. A schedule for the review of this, and all other policy documents is set out in the School Improvement Plan.

Statement of Values

As an inclusive school, we respect, recognise and value the diversity of the community we serve and are committed to raising the attainment of all of our pupils with due regard to their individual, social and personal circumstances.

We are committed to challenging all discrimination against those with disabilities, ensuring equality of access and to preparing all pupils for life in a diverse society. This commitment will be demonstrated through:

- Fostering respect for all groups and individuals, within the context of Human Rights
- Promoting positive non-discriminatory behaviour
- Ensuring appropriate support for individuals with disabilities within school
- Ensuring high expectations of all
- Ensuring representation of a wider range of diversity within our curriculum and school community
- Encouraging links with the wider community.

We recognise that it is the responsibility of every member of our school community to ensure that this ethos is actively and consistently reflected in our practice. We will systematically assess, evaluate, and constantly review the impact of our school policies and practice on the life, attitude and achievement of all groups and individuals amongst our pupils and staff.

We will use:-

Identifying Barriers to Access – *Appendix A*

The Adult Learning Training Needs Assessment – *Appendix B*

to support our self evaluation in this area.

This policy is to be read in conjunction with:

The Equal Opportunities Policy, the Inclusion Policy, the Special Educational Needs Policy and the Race Equality Policy.

Indicators for Success

In implementing the school accessibility plan, the following indicators will be used to demonstrate success:

- **High levels of achievement.** All pupils achieve their full potential and the performance and progress of pupils across disability groups is broadly similar.
- **Higher attainment.** The school's profile of attainment rises and any attainment gaps between groups of pupils with disabilities are reduced.
- **A diverse curriculum.** The experience and expertise of pupils across disability groups, parents and staff are utilised in delivering the curriculum.
- **Reduction in Exclusions.** Few pupils are excluded from the school and there are no disparities in rates of exclusion across disability groups.
- **Admissions.** The entry profile reflects the disability profile.
- **Active Parental involvement.** Attendance at parents' evenings is high across all disability groups. Parents from all disability groups contribute to consultations, and participate in activities and events organised for parents.
- **A diverse governing body.** The governing body is representative of the different disability groups in the local population. The retention rates for governors with disabilities match the retention rates for the governing body as a whole.
- **An effective governing body.** All members of the governing body are fully aware of their responsibilities in relation to their duties under DSEN. Governors play an active role in decision making on accessibility matters.
- **A diverse workforce.** The disability profile of teaching, non-teaching and support posts, reflect that of the community. The school is playing an active role in CSF and other initiatives to increase the representation of people from disability groups, both into teaching and in attaining senior positions in the profession and this is having positive outcomes in the school.
- **A successful workforce.** All staff feel valued and able to contribute fully to all aspects of the school's work.
- **Successful partnerships.** Successful partnerships are established with a wide variety of local organisations, including local groups representing those with disabilities.
- **Pupil and parent satisfaction.** There are high and equal levels of satisfaction with the school's overall performance from parents and pupils with access disabilities.
- **Low complaint levels.** There are few significant complaints about admissions, behaviour, exclusions, the curriculum, teaching, assessment, support and other provision for pupils, with no disparities of significance for pupils with access disabilities.
- **Trust.** A high level of trust and confidence exists from all parents, pupils and staff and there is a rich and diverse sense of community within the school.
- **Respect.** The school is respected for its commitment and effectiveness to the accessibility of those with disabilities.
