

KINGSWOOD RESIDENTIAL VISIT

TUESDAY 13 JUNE 2017

A much better night sleep last night, most were asleep by 10.30pm. The weather is gorgeous today the sun is shining down on us. Sun-cream has been applied, so don't worry!

Activities last night:

Scrapheap Challenge: The children were challenged to make a knight's armour out of scrap and dress their team-mate and then fight to the death! The children that were taking part in this activity chose to dress Dumisa K. and Alex W. Let's just say, Dumisa K. won!

Pool Party: They enjoyed cooling down in the pool after their activities during the day.

Different timetable planned today due to staffing at Kingswood (timetable should be back to normal tomorrow) so as it is a lovely day all the groups (M, N, O and P) went for a 2-3 mile walk to the Culver Monument to view the coast line. Then went back for an early lunch.

The two activities that are going ahead now are the 3G-Swing and the Leap of Faith.

3G-Swing: The children wear a harness and they are hoisted up to the height they are comfortable with and then hoisted back and let go when they are ready. The groups that are doing this activity now are N and P. Both groups were very brave and the Kingswood staff were impressed with Oliver C., Zack M., Verona M. and Libby K. for their bravery and great attitude.

Leap of Faith: They are harnessed up and climb up a long pole to see how far they are able to climb before 'falling off'. The groups that are doing this activity are M and O. The following children had no problems and went straight up with no fears, Emma G., Connor D., and Jessica W. - Well done!
