

The Pupil Premium Grant (PPG) is allocated to local authorities and schools with pupils on roll that are known to have been eligible for free school meals (FSM) at any time in the last six years.

Each of these pupils currently attracts £1320. The figure for 2014 - 2015 was £1300. Schools have the freedom to spend the PPG, which is additional to the underlying school's budget, in a way they think will best support the raising of attainment for the most vulnerable pupils.

**Parents are strongly advised to register their child as eligible for FSM so that each school receives their maximum PPG entitlement. For more information visit the HertsDirect website.**

The PPG is also provided for children in care or children who have moved from local authority care because of adoption, special guardianship order, a child arrangement order or a residence order.

Children of parents in the armed services, who face particular challenges, are also eligible for an amount of funding. The level of this Service Child premium is currently £300.
