Early Years Outcomes

Age: 8 to 20 months - Typical Behaviour

Name of Child:

Date of Birth:

Literacy	Mathematics	Understanding the world	Expressive arts and design
<p>Reading Handles books and printed material with interest.</p> <p>Writing Children's later writing is based on skills and understandings which they develop as babies and toddlers. Before they can write, they need to learn to use spoken language to communicate. Later they learn to write down the words they can say</p> <p>Early mark-making is not the same as writing. It is a sensory and physical experience for babies and toddlers, which they do not yet connect to forming symbols which can communicate meaning</p>	<p>Numbers</p> <ul style="list-style-type: none"> • Develops an awareness of number names through their enjoyment of action rhymes and songs that relate to their experience of numbers. • Has some understanding that things exist, even when out of sight. <p>Shape, space and measure</p> <ul style="list-style-type: none"> • Recognises big things and small things in meaningful contexts. • Gets to know and enjoy daily routines, such as getting-up time, mealtimes, nappy time, and bedtime. 	<p>People and communities The beginnings of understanding of People and communities lie in early attachment and other relationships.</p> <p>The world</p> <ul style="list-style-type: none"> • Closely observes what animals, people and vehicles do. • Watches toy being hidden and tries to find it. • Looks for dropped objects. • Becomes absorbed in combining objects, e.g. banging two objects or placing objects into containers. • Knows things are used in different ways, e.g. a ball for rolling or throwing, a toy car for pushing. <p>Technology The beginnings of understanding technology lie in babies exploring and making sense of objects and how they behave.</p>	<p>Exploring and using media and materials</p> <ul style="list-style-type: none"> • Explores and experiments with a range of media through sensory exploration, and using whole body. • Move their whole bodies to sounds they enjoy, such as music or a regular beat. • Imitates and improvises actions they have observed, e.g. clapping or waving. • Begins to move to music, listen to or join in rhymes or songs. • Notices and is interested in the effects of making movements which leave marks. <p>Being imaginative Babies and toddlers need to explore the world and develop a range of ways to communicate before they can express their own ideas through arts and design.</p>
