

Homework Survey to Parents and Carers – outcome

Thank you for your time in responding to this survey. We value your responses which will help us develop homework provision at our school.

There were a total of 60 responses.

		Very much so	To some extent	Not at all	Don't know unchanged
1	I/We discuss the homework with my/our child/children.	48 80%	12 20%		
2	I/We have completed homework activities with my/our children.	47 78%	13 22%		
3	Our/My children enjoy completing their homework.	20 33%	33 55%	6 10%	1 2%
4	The homework comes with a choice of activities.	20 33%	32 54%	8 13%	
5	The homework is allowing more time for my/our child/children to read.	18 30%	20 34%	5 8%	17 28%
6	Our/My child's/children's homework is marked with a stamp.	49 81%	3 5%	4 7%	4 7%
7	I/We have viewed my/our child's/children's picture homework on the school website.	4 7%	5 8%	44 73%	7 12%
8	I/We support the whole-school homework approach.	35 58%	15 25%	8 14%	2 3%

Sample of comments:

Sometimes I feel the activities set do not extend my son's proper knowledge so although you have a choice of activities to do they do not challenge him enough.

Having 3 children at home this approach makes homework more fun and interactive and easier for us parents.

The picture homework gives my child autonomy and they use their imagination more. Homework feels less stressful.
