NEWSLETTER: 14

DATE: 16 December 2022

Dear Parents & Carers,

It has been another busy term, not least of which because of the Christmas festivities happening during the last two weeks of school. I know that the children enjoyed their Christmas themed lunch, particularly the Rudolf cupcakes. At this point in the year there are so many people to thank for their hard work I would like to thank the children for their behaviours during this slightly less formal point of school, the parents for your support and kind words to and about the staff and the staff themselves for their continued efforts through snow, the change to usual routines and their all-round care about your children's learning and wellbeing. I even had a visit from Santa in the middle of a meeting with a parent, he bought me chocolate which is always welcome.

Staff have run clubs, started up choirs, supported the sports teams, run performances and that is in addition to teaching the children. I am sure that you would like to join me in thanking them.

Our PTA have been running events, bringing in gifts for the children and running competitions. I know how much parents appreciate the extras that run in schools, we certainly couldn't do these without the support of the PTA (both the staff and parent members), I know that they are always happy to hear from parents that would like to help out, whether that is regularly or at key points in the year. Please do contact them PTA@ashtree.herts.sch.uk.

This term has been a shining example of community both with the money raised by school for charity events and the reverse advent calendar and with the support of the local community for our families. This week we had deliveries of Christmas presents from Dunelm Mill and the Mayor's Toy Appeal.

You had some information this week about water safety following the tragic incident in Solihull. Please do remind your children about water safety in this cold weather. Frozen lakes can look very tempting and it is sometimes hard to understand that you can't slide on them like they see in films.

This will be my last newsletter before the Christmas break so I would like to wish you all a very happy and safe break, I hope that you all get the chance to meet up with friends and family and that we see your children safely back in school on Thursday 5 January 2023!
