## This half-term our school value is: **Resilience**

Dear Parents & Carers,

This week I have had the opportunity to on be duty on the KS1/Early Years Playground at lunchtimes. I have enjoyed the chance to see your children in a different situation. We have played games, sung songs, talked about our favourite colours and counted how many steps to get across the playground.

Unfortunately we have still not received the Ofsted report but will update you as soon as we can.

We have been very busy looking at improvements that can be made around the school and involving the Governing Body and the PTA in projects across the school. We have a new staff Governor Mrs Cox. Our Health and Safety Governor and has been supporting me and Mr Street with investigating a number of projects. One of these would be to install automatic gates at the front of the school. This project looks exciting but is understandably very expensive. We will be looking into ways to fund this.

The PTA (Friends of Ashtree) is our main fundraising source, they work extremely hard to put on events whilst following Covid measures. They really need your support, you can join the PTA by contacting [PTA@ashtree.herts.sch.uk](mailto:PTA@ashtree.herts.sch.uk) you will also see a leaflet in your children's bags about a quiz night.

The old Pre-school building known as 'First Friends' is beyond repair and will need to be demolished. At the moment this is planned to be in the February half-term. I know that this may be noisy and I apologise to those that live close by but once this has been removed we can begin to plan new ways of using the space.

From Thursday 27 January 2022 National rules around face covering change. However in order to keep the community safe we will continue to ask visitors and staff to wear masks inside the school, in communal areas. From that date we no longer be asking adults to wear masks outside. As always specific measures at school will be decided in response to case numbers and Public Health advice.

## Outside Achievements:

**Scarlett** from **Y3** - has passed her yellow hats Level 3 in swimming and is now in green hats Level 4. She really tries hard in her lesson and never gives up even when she finds some of the swimming techniques tricky! Well done Scarlett, this is a fantastic example of resilience.

## Children's Mental Health Week

Children's Mental Health Week is taking place on 7-13 February 2022. This year's theme is Growing Together. We will be doing lots of different activities throughout the week.

As a school, we will be encouraging children (and adults) to consider how they have grown, and how they can help others to grow.

We have attached a link for parents and carers to support your child's and your own mental health.

## Reminders:

- If your child is going to be picked up by someone else, **please inform the office**. Thank you.
- One of the measures to reduce Covid-19 transition is to increase ventilation in class rooms. Please make sure your child comes in with a jumper/cardigan and an extra t-shirt if needed.
- When on school property, please make sure that you and your children walk scooters and bikes through the grounds.
- It is important to us that we are able to address parent/carer concerns, please ensure that you bring these to the class teacher or the office and **do not** approach children directly.
