## NEWSLETTER 2

**DATE: 17 September 2021**

Dear Parents & Carers,

As I am sure you all know, the Governors have appointed a new Head for Ashtree. On Monday we interviewed the shortlisted candidates and chose Mrs Janes, our Deputy Head, who is currently filling the Head's role temporarily, to be our permanent Headteacher.

We are confident that the school will continue to grow stronger under Mrs Janes' leadership. We are looking forward to a visit from Ofsted inspectors, probably this term, and everyone is working hard to ensure that Ashtree is graded Good again.

Covid-19 has made the governors' task more difficult over the last eighteen months, but we have continued monitoring the work of the school with the help of technology. Our first meeting this term is on September 20 at the school, as things get back to normal, we hope.

I am sure that all parents and pupils will join the governors in wishing Mrs Janes every success for the future.

### **Are You Interested in Joining the Governing Body?**

There is a vacancy on the Governing Body for a parent to join us. We meet eight times a year, usually on a Monday between 6.30pm and 8.30pm.

Governors have to oversee the work of the school, with special emphasis on Financial matters and Pupil Progress and Well-being. We check on lots of things, including Safeguarding and Curriculum. We are involved in interviewing applicants for job vacancies at the school. We monitor Health and Safety issues. Sometimes we deal with complaints.

Perhaps most important of all, we set the vision and aims for the school in conjunction with other stakeholders. If you think you'd like to be involved in any of those areas, please let the school office know and leave me contact details. I will get in touch and give you more details.

*Bill Spicer* - Chair of Governors

Dear Parents & Carers,

It has been a very busy week this week. As part of the changes we are introducing assemblies will look slightly different on a Friday. I will be replacing the 'Effort Certificate' with a range of celebration assemblies, these will include celebrating our values in action (this half-term is community), achievements outside of school, achievements in learning and behaviours. I would love to hear from you or your children if you would like us to celebrate their effort and achievements outside school.

On Monday, I was able to see a lesson in Sunshines the activity was adult led PSED they talked about feelings using the book 'Monkey Puzzle'. The children were eager to listen and ready to learn, thank you for your help in making this happen.

Finally, I am pleased and excited to accept the post of Headteacher and looking forward to all of us working together.

*Mrs Janes* - Acting Headteacher

### **Reception / Nursery Spaces**

We still have spaces in Nursery and Reception. Can we ask parents to share this information to any families that may be interested in a space - Thank you.

## Summer Reading Challenge - Wild World Heroes

I am very pleased to reward Joseph from Nursery a 'Headteacher Award' sticker today for completing his Summer Reading Challenge. If any other children have completed the challenge, please let your class teacher know.

### Just a couple of reminders:

- Although we are asking children to wear black shoes indoors/outdoors please remember to provide a pair of plimsolls to wear inside should the weather turn bad.
- In order to keep our Community safe, you should be only driving on the school grounds if you have a school permit.

The **Nursery** children have had a great time settling in and exploring the nursery setting. We have really enjoyed getting to know your children and look forward to having lots of fun together!

### **Nursery Reminders:**

Please return the 'All about me' sheets.

Can we ask that a named fresh water bottle is brought in each day – thank you.

Finally, can we ask that you provide a pair of named welly boots to remain in school so your child can enjoy the garden in all weathers!

In **Year 3**, we have been making sedimentary sandwiches, using different foods to represent different parts of sedimentary rock.

The breads were sand and dust. The jams were old plants and animal remains. The raisins were big rocks. The hummus was mud. The crackers represented clay.

The sandwiches showed the different layers of sedimentary rock.
