Across the school the children are now very good at quoting and showing our ABC of moving around. I am sure that if you ask them, they will tell you that:

A is Always Quiet
B is Be Polite
C is Calm Body and Mind

We have been using this for a while now and so this week we have started to introduce our classroom expectations. These are all about what will help us all to learn. I am sure that the children will soon be able to tell you these as quickly as they can talk about our ABC's. We have linked these to our values.

Lessons are for Learning. To help us learn we...

Community

Listen to others Work as a team Are always kind

Pride

Keep our work neat Keep our classroom tidy Take care of our things

Resilience

Give it a try
Ask for help
Enjoy learning something new

One of the classes that has really managed to show the ABC's this week is Nursery. They have been walking around the school quietly, calmy and politely. Well done to Nursery.

There are lots of children that have been working hard on their handwriting this week, Mrs Allen our Writing Lead, has been introducing a new format for our handwriting lessons and it is really working! This is also helping with our classroom expectations 'keep our work neat'. I am sure that you will be

Athlete Visit to School - 30 January 2024

We're very excited to be welcoming Commonwealth Games Gold Medal Winner Steve Frew to the school to lead a sponsored fitness circuit. Steve will then be delivering a motivational assembly and a Q & A session for the pupils.

The event will both connect the pupils to an extraordinary athlete role model and raise money to improve physical activity in the school, as well as supporting both athletes and para-athletes, so that they can continue to inspire the next generation.
