Next half term our school value is Celebrating Success

Dear Parents & Carers,

This week began on Sunday with a very successful day running a stall at Stevenage Day. We had PTA, staff, governors and family members helping out. It was a very positive day where we raised over £500 and also spoke to prospective parents about Ashtree Primary School & Nursery and the many wonderful things that we do. Thank you again to everyone that helped and to those of you that popped by to say hello.

Year 6 have recovered from last week's fun and activities and are starting to meet the staff from their Y7 classes for next year. Mr Yates has been looking at additional transition activities either for smaller groups or the whole year group. I know that just as in previous years, the Y6 staff will support your children to move smoothly into secondary school.

I would like to take this opportunity to thank Mrs Chowdhury for becoming a part of Ashtree School life and being Year 6 teacher. We will be saying goodbye to her at the end of June as she moves onto other things. Mrs Allen will be returning from maternity leave and will be covering Monday to Wednesday in Class 13 with Mrs Compton staying until the end of the year on a Thursday and Friday.

I am pleased to say that the Herts Sports Partnership will be running a summer camp at Ashtree throughout August. Some of your children may have attended these before, the Fit Fed and Read scheme offers free camps for children who qualify for Pupil Premium Free School Meals. You will see information coming out soon about how to apply for a place. There will be 20 places available to children throughout Stevenage, booking will be open to Ashtree a week earlier than for other schools. Brighter Days afterschool club will also be running a one-week camp and I know that they will be sending out information about how to apply for a place there.

This week I have been meeting with the team that will be removing the temporary classroom on our site. This is currently planned for 25th July to 5th August, once we have more information, I will let you know. The next huge task is to find private funding to replace the building, if you know of anywhere that might be able to support us in this please let me know.

On Wednesday we had a Hertfordshire County Council Health and Safety audit. They look at the building and at practice around the school. You will be pleased to hear that this went very well, although there are a number of future repairs projects that we have planned we passed this with only a few pieces of paperwork that needed completing on the day.

Finally I would like to say thank you to everyone that has been sharing our Facebook posts and retweeting our Twitter tweets. This really helps to get Ashtree seen more widely. I have noticed that you have been sharing them to your page and to Stevenage groups and I am very grateful for your help in prompting the school.
