NEWSLETTER 4

DATE 30 September 2022

Dear Parents & Carers,

This week we have been talking to children to follow-up on the 'retrieval practice' that I mentioned in an earlier newsletter. The staff have been using this after the children have been taught new knowledge to help them remember it. We spoke to them about Science work; one of the first curriculum areas that we worked on, I am really pleased with how successful this has been. The children were able to remember the knowledge that they had been taught very easily. They were also enthusiastic about the Science that they had learnt.

Our gates are also now automated, which is very exciting. If the gates are closed when you arrive then please press the button on the keypad and the office will be able to open the gate for you. Please be patient whilst we get used to this new system, I know that it took me a few tries before I managed to successfully let someone in.

Next week we will begin to collect our harvest donations. Please send them in to the class where they will be stored ready for the assembly. The latest wish list from the Food Shed is here

Your child can bring in a single item, a few items in a bag or a decorated box containing a number of items. We ask that we don't have fresh food e.g. fruit and veg please. Please do check that the food is in date.

Thank you for filling in the survey about a preschool and afterschool club. Unfortunately, at the moment the responses show that it would not be financially viable for Ashtree School to run our own afterschool club. However, I will continue to approach external providers who may be able to make this a possibility. In the meantime please have a look at the childminders in this list. Mrs Dunlop has asked me to let you know that, whilst she is very flattered by the parents that have approached her she unfortunately does not have any availability, although she is first on the list. <http://www.hertfordshire.gov.uk/childcaredirectory>

The advert for a preschool provider should be out soon and when it is I would appreciate you sharing it so that we can find the very best provider for Ashtree.

Finally, well done to the cross-country team. Mr Flynn will share more information later in this newsletter.

Mrs Janes

Outside Achievements:

Elouise in Wrens received another medal this week for working extremely hard in her gymnastics class. Well done Elouise!

On Thursday our Y6 children took part in the annual cross country festival. It was the first event of the year and it did not disappoint. The Y6 girls finished 3rd overall with some great individual finishes. The Y6 boys finished 4th, 5 points away from a medal! All of the boys and girls should be very proud of their performances and should be looking forward to the Summer Athletics Festival!

Dinner Behaviour Awards

The winners for this week are **Parrots** (*for settling in well, adapting well to the routine and great behaviour in the dining room*) & **Harriers** (*for making the right choices in trying to include their classmates in their games*)

Attendance Cup

The winner for this week is **Owls** with **97.6%**.
