6 May 2020

Dear Parents / Carers,

We would like to formally welcome you to Ashtree Primary and Nursery School. We are delighted that you have been offered a place within our Reception class and very much look forward to getting to know you and your family.

Please find a selection of forms enclosed in this welcome pack. It is very important that these forms are filled in and returned to school no later than Friday 22 May 2020. We thank you in advance for your co-operation.

This year, life for us all is very different. We understand that you may have anxieties and questions around your child starting Reception due to the unprecedented circumstances regarding Covid 19.

Our aim is to keep you fully informed about the alternative transition that will happen for your children and yourselves this year.

In the first instance we would like to direct you to our school website where we have created a sub-page, especially for our new Reception intake. We aim to update this page with virtual tours of the classrooms, videos with the Reception staff and other useful information.

If you have access to social media, we would ask you to follow our school on both on Ashtree Primary School & Nursery Facebook and Twitter@AshtreeSchool to keep updated with the latest school news and information.

If your child attends a different Nursery then we will be contacting them via email or telephone in order to support transition.

We are fully committed to ensuring that you and your child have the very happiest and smoothest start to their school life here at Ashtree Primary School.

Yours sincerely

Ms EA Kirwan
Head Teacher
