Physical health and safety
We will explore what makes us
healthy and avoiding dangers.

Belonging and Inclusion

RE
Exploring different faiths and
beliefs

Computing
Questioning

How you can help your child at home:
Read the books that we send home with your
child as frequently as possible, ideally 3-4 a
week. Play games together, puzzles and problem
solving. Complete learning tasks, whether it
might be spellings, whole school homework or a
Purple Mash activity.
