Then they learn the other **key phonic sounds**. They read **rhyming stories**, **sing songs**, **practise tongue twisters** and have further opportunities to make the **sound-written link** by listening to words and anticipating their spelling. They also learn some **nouns (pencil case items)**. They are made aware of gender through colour coding. They use the verb forms 'j'ai – I have', 'il/elle est – it is' and implicitly encounter the negative forms of these.

NEXT STEPS : SPRING TERM

The theme is **animals** and **colours**. The linguistic focus is gender, articles (definite & indefinite), plurals and adjectives (position & basic agreement). The grammatical concepts are all based around a core vocabulary of **9 animal nouns** and **6 colours** so nothing so becomes too difficult.

The key verbs are 'il/elle est' (he/she/it is), 'ils sont' (they are), **il y a** (there is/are). The negative is revisited and there is also a subtle introduction to 'aussi' (also/too/as well), 'mais' (but).
