

### **Changes:**

If there are any changes to circumstances which you feel may affect your child in school please advise us so we can be more receptive to their needs.

### **Start of the Day**

Children are expected to wait on the Junior playground until the bell is rung at 8.55, when they will then make their way to class. Two members of staff will be on the playground to oversee the children coming into school.

### **Home Time**

We will dismiss children into your care in the junior playground. However, if you consider your child able to meet you in another place on the school premises (such as the infant playground) please advise us in writing.

Children are required to stay with their teacher until they see the adult picking them up. We would be grateful if you could remind your child of this.

We hope this leaflet has been of help to you.

Many thanks,

The Year Three Team

**Welcome to  
Year Three  
2020-2021**

## Welcome to Year Three.

In order to give you as much help as possible to support your child, here is a guide to the way we work in year 3.

### Curriculum:

Topics for each subject will be advised termly in the Ashtree newsletter and on our website. We will offer a wide variety of subjects and these could be combined in cross-curricular topics this year with some themed days included.

### Homework:

Is set every Wednesday and is due in the following Tuesday. It is either based on work we have previously practised in class or as research for a new project. It should take no more than twenty minutes to complete.

We set weekly spelling activities/lists of words.

The children will have weekly times tables tests. These will also be tested on a Tuesday.

Daily reading at home with signed comments from an adult in the reading record, is expected.

### PE:

Both indoor and outdoor PE kit, with trainers, are required please. Both classes will have PE twice a week plus an extra sports session once a term, so kit needs to be in school all week.

### Uniform:

Please keep to our published dress code with **all items**, including plimsolls, **named**. Please ensure that your child is dressed suitably for the weather.

### Holidays:

Holidays are not authorised during term time. Leave of absence for exceptional circumstances can be requested via a form from the school office.

### Computing

In order to use the internet please ensure both you and your child have signed the internet user agreement form which is available from the office.

### Behaviour Policy:

We have high expectations of all our children. Our policy is available to all parents. This is a whole school policy to enable us to deal with all issues fairly.

### Communication

If you have any concerns or queries we are happy to discuss them. Please come and speak to the class teacher and we can together decide the appropriate actions or we can refer you to a more senior member of staff. We are available after school when we can give more time to discuss an issue rather than mornings when we are very busy.

### Snacks

Children can bring in their own healthy snack to eat during the morning. Children can also have milk, and the order form for this is available from the office.
